

HSIPL PURCHASE POLICY

Hagerstone International Pvt. Ltd. · Centralised Procurement · Vendor Purchase Policy & Onboarding Terms

This Purchase Policy sets out the terms on which Hagerstone International Pvt. Ltd. ("HSIPL") places orders and makes payment, and the documents a vendor must provide to be registered. It is shared with every vendor **before** registration and is accepted as a condition of supply. **Page 1** is the policy; **page 2** lists the required documents and the vendor's acceptance.

Purchase Policy — Terms

- 1 Registration & approval.** Onboarding is only through HSIPL's registration process. Purchase Orders (POs) are placed and supply begins only after the vendor's registration has been verified and approved by the designated verifier.
- 2 Documents & accuracy.** The vendor shall provide the documents listed on page 2 — true, valid and current. PAN, GST certificate and bank proof are mandatory (GST not applicable to individuals). False or expired documents are grounds for rejection or removal.
- 3 GST compliance.** The vendor's GSTIN shall be active and its GSTR-3B and GSTR-1/IFF returns filed and up to date. HSIPL verifies filing status from the Government GST portal. Persistent non-filing may bar further orders.
- 4 Pricing & Purchase Order.** Rates are as per the approved PO. No supply shall be made without a valid PO. Prices remain firm for the full PO / agreed delivery schedule and shall not be revised against an issued PO.
- 5 Payment terms.** Supply is on a **credit basis only — no advance payment**. The credit period is **30, 45 or 60 days**, as agreed and stated in the PO, counted from the date of GRN (goods receipt) and receipt of a valid, PO-compliant invoice. TDS and other statutory deductions are applied as per law. Payments to MSME-registered vendors follow the applicable statutory timeline.
- 6 Invoicing & dispatch.** Material must be accompanied by two (2) proper hard copies of the invoice, plus the e-way bill where applicable. Every invoice must carry the PO number and the delivery site address, and be duly signed. The dispatch must be duly signed by the dispatcher.
- 7 Quality, inspection & rejection.** Goods must meet PO specifications. Short, damaged or rejected material shall be replaced by the vendor at the vendor's cost within **7 days** of notice.
- 8 Delivery & delay.** Material must be delivered on or before the date/time stated in the PO. **If delivery is delayed beyond the issued time, the order is open to rejection, and/or a penalty may be levied — as mutually decided between HSIPL and the vendor at that time.**
- 9 Warranty.** Goods carry warranty as per the manufacturer / PO specification. Warranty defects are remedied by the vendor at no cost within the warranty period.
- 10 Bank-account changes.** Any change to the vendor's bank account will be accepted only in writing on the vendor's letterhead accompanied by fresh bank proof. Verbal or email-only change requests are not honoured. This protects both parties against payment fraud.
- 11 Statutory & site compliance; conduct.** The vendor complies with all applicable laws (GST, labour, environment, health & safety at site). The vendor shall not offer any gift, commission or inducement to HSIPL personnel.
- 12 Confidentiality.** Drawings, BOQs, rates, designs and site information shared by HSIPL remain confidential and shall not be disclosed or used for any other purpose.
- 13 Suspension, termination & blacklisting.** HSIPL may suspend, terminate or blacklist a vendor for repeated failures of quality, delivery, statutory compliance, or integrity, without prejudice to other remedies.
- 14 Governing law & jurisdiction.** This policy is governed by the laws of India; courts at **New Delhi** have exclusive jurisdiction.

Required documents — tick each one provided

Please attach the following during registration. **REQUIRED** items must be provided; **OPTIONAL** items are supplied if available.

Vendor acceptance & declaration

We, the undersigned vendor, have read and understood the **HSIPL Purchase Policy (version 1.1)** set out in this document. We agree to **adhere to this Purchase Policy in full** as a condition of registration and supply with Hagerstone International Pvt. Ltd., and we confirm that we have **provided all the essential documents** required (as listed above).

This acceptance is for **Purchase Policy version 1.1**. If the policy is revised in future, HSIPL will share the updated version with the vendor and obtain fresh acceptance; the latest accepted version supersedes all earlier ones.
